U.S. DEPARTMENT OF AGRICULTURE

CCC ISSUES MONTHLY SALES LIST FOR JUNE 1975:

WASHINGTON, May 30--The U.S. Department of Agriculture announced today the minimum prices at which Commodity Credit Corporation (CCC) commodity holdings are available for sale beginning at 2:30 p.m. (EDT) May 30, 1975. These prices, subject to amendment, will continue until superseded by the July Monthly Sales List.

The list of commodities available for sale is unchanged from a month earlier except for the addition of rice. Wheat, corn, rye, barley, and sorghum stocks have been sold except for small lots and are listed for occasional sales that may be necessary as inventory is liquidated.

In this sales list: "Unrestricted use" applies to sales which permit either domestic or export use and "export" applies to sales, which require export. "Market price" and "transit value" apply to prices and values as determined by CCC. "Designated terminals" are listed in grain price support regulations. A listing of USDA offices involved in CCC sales operations is shown at the end of the list.

The pricing provisions in the CCC monthly Sales List in effect at time of sale shall be applicable to sales of all commodities. Grain sales are made on-track with immediate delivery; in-store for delivery as soon as possible; or FOB origin for delivery as soon as possible subject to availability of transportation. In the case of sales FOB buyers conveyance carrying charges for account of the buyer will accrue at the rate specified in the contract commencing 10 days after date of sales. Sales for delivery other than immediate or as soon as possible will be made only pursuant to terms specified in special provisions.

Applicants for all Department programs will be given equal consideration without regard to race, color, sex, creed or national origin.

Corn, oats, barley, grain sorghum, wheat, and rye, as determined by CCC will be sold at the market price for unrestricted use for "Dealers' Certificates" issued under the Emergency Livestock Feed Program.

Odd lots and off-quality lots are sold promptly and may not appear in the Monthly Sales List. CCC may limit sales quantities.

CCC reserves the right to refuse to consider an offer if it does not have adequate information of financial responsibility of the offerer to meet contract obligations of the type contemplated in this announcement. Interest at 9 percent will be charged for delinquent payments on consignment and track grain sales from the date of sale to the date payment is received.

Although a commodity may not be specifically listed for export sale, CCC reserves the right to make emergency sales of its stocks for export if unexpected trade opportunities develop or when the flow of commodities to ports is disrupted or impeded and the maintenance of U. S. exports is temporarily jeopardized. Specific offering terms, including the applicable export announcement to be used, will be provided interested parties through special sales announcements and by amendments to the CCC Monthly Sales List.

On sales for which the buyer is required to submit to CCC proof of exportation, the buyer shall be regularly engaged in the business of buying or selling commodities and for this purposes shall maintain a bona fide business office in the United States, its territories or possessions and have a person, principal, or resident agent upon whom service or judicial process may be had.

Buyers are responsible for obtaining any required U. S. Government export permit or license. Purchase from CCC shall not constitute any assurance that any permit or license will be granted by the issuing authority.

Exports to certain countries are regulated by the U. S. Department of Commerce. These restrictions also apply to any commodities purchased from the Commodity Credit Corporation whether sold for restricted or unrestricted use. Countries and commodities are specifically listed in the U. S. Department of Commerce Export Control Regulations. Additional information is available from the Bureau of International Commerce or from the field offices of the Department of Commerce.

Stocks of tobacco under CCC loan are available for existing barter contracts.

To be placed on the mailing list for the Monthly Sales List, make request to: Director, Commodity Operations Division, ASCS, USDA, Washington, D. C. 20250.
